LB 902

That is it.

SPEAKER NICHOL: We have amendments, Mr. Clerk, right?

CLERK: Mr. President, Senator Wesely would move to amend the committee amendments.

SENATOR WESELY: Mr. Speaker...

SPEAKER NICHOL: Senator Wesely.

SENATOR WESELY: ...and members of the Legislature, these amendments are amendments worked out with the Blue Cross-Blue Shield representatives, other health insurers, dentists, some other health providers. They do basically preserve the committee amendments but make some technical changes to them. Also add provisions that clarify that a PPO which I will explain in a couple of minutes may limit their organization to specific professions or to a limited number of providers and it also limits restrictions on contributions by participants to dental service plans. These are the amendments to the committee amendments.

SPEAKER NICHOL: No other lights are on so the question is the adoption of the amendments to the committee amendments. All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 12 ayes, 0 nays on adoption of the Wesely amendment to the committee amendments, Mr. President.

SPEAKER NICHOL: The amendments are adopted. We are back to the committee amendments. There are no lights on the committee amendments so the question is the adoption of the committee amendments. All those in favor vote aye, opposed nay. Have you all voted? Have you all voted? Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays on adoption of the committee amendments, Mr. President.

SPEAKER NICHOL: The committee amendments are adopted.
